Address: 110 E North St., North Webster, North Webster

Price: 100.00 \$

Pair of chairs from the library. These are small, lightweight and on wheels with a handle in the back of the chair, to easily move. Would be great in an office, or bedroom. Great quality and solidly built.

There is a bit of sun-fading but would be easy to recover.

See at the North Webster Public Library or message me.
