I purchased this rug brand new at Home Depot in September 2020. Once I brought it home, I realized it wasn't the rug for me and rolled it up right away. It has never even been walked on. No pets, non-smoking house. I'd like to sell it to someone who needs it before I go through the trouble of returning. The link to this specific rug on the HD website: <https://www.homedepot.com/p/Home-Dynamix-Bazaar-Royal-Navy-7-ft-10-in-x-10-ft-2-in-Indoor-Area-Rug-1-DT179-300/310109453>

As you can see, I bought it for \$180, but I am asking \$120, and please come pick it up yourself. I live in Melbourne.
