Address:

Boyes Hot Springs, Sonoma

Price:

500.00 \$

Mint green Bianchi is in good shape following an expert tune-up for road racing and touring. This champion of a bike is newly-tuned with Shimano ST Group components: shift-brake levers, Ultegra derailleur, Deore XT. I just replaced the brake pads, upgraded the brakes, and the tires with 28mm Continental Gatorskin polyXbreakers. An additional, beneficial feature is the Cateye Vectra Wireless Bike Computer which displays: current, max, and average speed, total distance, trip distance, elapsed time, calorie consumption, pace arrow, and clock.

The 60cm (24" for cyclist who stand 5'10" - 6' 1") Bianchi frame was designed by Eduardo Bianchi. Please call, text, or email to make an appointment for viewing. Thank you. Dennis 310-871-1031
