Hello, I am seeking new customers - to place orders for holiday cheesecakes ! However, I also accept orders for any occasion as long as I have 24 hr notice. My homemade cheesecakes feed 6-8 people at \$20 per. I offer many kinds and homemade toppings like blueberry/lemon, cherry, peppermint choc, candy, pumpkin, buckeye fudge, and Carmel apple. Too many choices to list! I also offer skinny version. I can't afford to have a Christmas or provide any gifts to my kids unless I am able to sell 20 - 40 cakes.
