This is a 1911 sewing machine in an oak cabinet. Cast iron treadle and "legs". Very heavy. Was considered ahead of it's time! (Singer came out with a similar model in 1917). Has 6 drawers, some attachments, original warranty, manual. Has a little oak detailing on front. Top needs to be sanded and refinished due to some water (?) rings. It was like this when family member gave it to me years ago. It's made by "The Free" sewing machine company. My son found this on line for \$300-500. Asking \$100 OBO. I really need to sell due to financial medical needs!! Pick up in Granite Falls please
