Frenchi Furniture Magazine Table, Dark Cherry. Brand new, still in box. Too dark for my house. This magazine table at the end of your couch to instantly complete the look of your room. Featuring a modern style, this magazine table will add a contemporary piece of furniture to your room that complements any living space. It has a wooden top, so it will bring long-lasting charm and character to your home through its timeless appearance.

I have 2 matching ones. If you want both you can have them for \$60 total.
