Price:

75.00 \$

The headboard fits a queen size bed frame or waterbed. The dressers are: 1.) vertical with drawers and open-out cupboard 2.) horizontal with a mirror and both drawers and open-out cupboards. This would work for a single person or youth. It is a light ivory with wood accents, and not solid wood, in good condition, ready to be loaded from our north porch. We also have a particle board rectangle base with supports, but without the top boards, which can be taken to use in place of a bed frame.
