Just in time for that SPECIAL holiday present! Jessica McClintock Romance Collection furniture has an antique white finish with delicate silver accents. Each piece has extensive detailing and carving. Very romantic pieces for younger girls or even their moms! This furniture is used, but has been extremely well kept and is in excellent condition. this suit was purchased in 2007 from Spears Furniture in Lubbock, Texas. I will not separate the suit. It includes a Full Size Sleigh Bed with twin trundle/under bed storage, one 3 drawer Nightstand, 10 drawer Dresser with mirror, Desk with a 2 shelf hutch and chair, Armoire with 2 drawers, 1 fixed shelf, 1 adjustable shelf and removeable hanging rod (perfect place for a TV). I am asking \$4000, but price is negotiable. Please reply via email. SERIOUS inquiries only please!
