Fujitsu ScanSnap S1500M Document Scanner USB Complete w/ All Cables

Windows users can now make scanning easy with the Fujitsu Pass-Through Scanner. You can reduce paper-clutter, security risk related to unmanaged paperwork at office or home. This 20 ppm pass through scanner has great features like the One button searchable PDF creation and Intelligent paper feed detection, which makes scanning very convenient. It has a 50-page Automatic Document Feeder (ADF). The Fujitsu ScanSnap S1500 color scans at a speed of 20 ppm.
