For Sale: 4 - Klipsch RSX-5 Reference Series Satellite speakers. These great speakers are very suitable for home theater setups, especially surround sound to where you want to point the sound to the focal point in the room. They're in like-new condition. I'm only selling them because I'm remodeling my theater room and would like to upgrade at this time. The connectors support banana plugs, which I'm currently using.

I also have a Klipsch RC-35 center speaker in piano black that I'm selling, if interested.

Klipsch proves great things do come in small packages with the compact RSX-5 Satellite loudspeaker from its top-selling Reference Series. This sophisticated, advanced monitor brings stylish simplicity to the world's most sought after home entertainment products line. Because of its seamless design and placement flexibility, the RSX-5 can deliver jaw-dropping sound in virtually any space. It can serve as either a left or right monitor, as well as a surround speaker. The RSX-5 delivers incredibly dynamic and accurate sound by utilizing a 1-inch titanium-dome compression driver coupled to Klipsch's new round MicroTractrix Horn. This magnetically shielded speaker also employs a 5.25-inch woofer to capture every sonic detail. The woofer is a 100-watt unit powered by a unique neodymium motor. The Cone is made of eight woven, rigid
