Address:

410 Providence Dr, Brandon, Brandon

Price:

200.00 \$

Very large 4 month old puppy. I got him for my grandson but had no idea how big he would get. He is great with cats, dogs and little kids. My grandson named him Dai. He has had all his shots and will get to about 120 lbs. I just don't have the yard for him. He is very loving!
His birthday was the 25th.
