Address:

263 Winter Wheat Dr, Wright City, MO, Warren, Wright City

Price:

350.00 \$

No longer need, I may negotiate some on the price. It cost me 1100.00 back in 2018. My grandson has outgrown it.

Twin size trundle bed that folds out for a child. My grandson has all of a sudden gotten much taller and it is no longer suitable for him. Serious callers only. May be able to negotiate some of the price of the item. It was bought from Wayfair in 2018. It is a very pretty cabinet and it also has a hookup for phone charging integrated in the bed or whatever item they need charged. Cash only please. Tammy 3 1 four,707,7 two six zero.

Will not last long. Very pretty as a storage cabinet and the bottom part that slides out also offers space. It sits in my living room.
