Up for sale is a beautiful chiming wall clock. It is made in Holland by Alma Klokken. "Alma" is marked on the face. Both the clock face and tile with a windmill are made of porcelain. On the top of the clock is Atlas holding the world. When the clock chimes at the top of the hour and the half hour, it rings at the base of Atlas. The three ladies in front of Atlas represent faith, hope and love.

This clock is in great working condition.
