Address: 1208 W. Fair, Across The Street From MHS, Marquette
Price: 125.00 \$

Trek Liquid 20, extra large frame. Bike has had some intense hours, but still solid a rock. It will need new tire. I cannot ride anymore due to disability, and I stand the idea of the bike collecting dust. Original sale price was \$1800. All XT components except rear derailleur, which is XTR. Site will not let me load a picture.
