Very unique, old canvas folding stretcher gurney; may be military. The front is painted in black: "Goodfellow's Pharmacy Castle Rock, WN". I looked it up and WN is another legal abbreviation for WA (Washington). I'm not sure what year this is from, but I'm thinking early to mid 1900's based on the hardware on the back. This would be really cool as a conversation piece in your home hanging on a wall or standing in the corner of a room. You can find it at at Oregon City Antiques in booth vendor #26 located at 1625 Washington St, Oregon City. Hours: Sunday 11-4, Wednesday through Saturday 10-6. Closed Monday and Tuesday.
