Pearl Jasmine green tea is made from the pearls of green tea which is harvested in the spring season. This product is produced through high-tech processing equipment. That process guarantees a high quality tea. The Pearls are dried into a small tea balls. After brewing its open look like a piece of beautiful fresh pearl, its taste last for many times. This tea tastes sweet and fresh.

If you drink Pearl Jasmine green tea often, at least three times a day, it helps to lose weight and increases antioxidants. Also, it prevents cancer diseases. Furthermore, it helps to improve sore throats. It is helpful in reducing the hoarse speech problem when one has a sore throat and maintain good-looking skin.

When you drink the tea with honey and lemon, it is especially refreshing. In summer, after you brew the tea, you can keep it in refrigerator for a cold drink and it tastes awesome. It is not only a daily beverage but it also boosts up your energy if you drink eight cups a day.
