Address:

Between Toledo Blade And Veterans Blvd., Port Charlotte

Price:

500.00 \$

Purchased two years ago for \$1,500. Leather and lift mechanism all in perfect condition. We've moved and the chair is now just too large for our smaller home. This is a huge bargain for someone who needs help getting up and out of a chair. It is a beautiful piece of furniture, very comfortable, and reclines to fully flat position, as well. Remote is attached to chair, so it won't get lost.
