Address:

South, Stephenville

Price:

950.00 \$

I have a brand new, never plugged in washer/dryer combo that's vented. In fact it still has the shipping stabilization bolts in the back. I purchased it a couple of months ago with the intent of installing it in an RV that I was going to full time in. However, plans change. I no longer plan to do that so it's available. I removed it from the shipping box to make sure there was no damage during shipping, but it's been stored since. I also have a vent kit in case your RV is not already vented. Here's a link that gives a very good description: [https://www.campingworld.com/splendide-wdv2200xcd-combo-washerdryer-vented-125182.html?utm\\_source=google&utm\\_medium=ppc&utm\\_campaign=%7bCampaign%7d&gclid=Cj0KCQjwIMaGBhD3ARIsAPvWd6j8iWkLDiKU7sJQr-ewEksI\\_ghwbX3OY-JULrdZiLiEic3YPYBUb6EaAjwtEALw\\_wcB&gclidsrc=aw.ds](https://www.campingworld.com/splendide-wdv2200xcd-combo-washerdryer-vented-125182.html?utm_source=google&utm_medium=ppc&utm_campaign=%7bCampaign%7d&gclid=Cj0KCQjwIMaGBhD3ARIsAPvWd6j8iWkLDiKU7sJQr-ewEksI_ghwbX3OY-JULrdZiLiEic3YPYBUb6EaAjwtEALw_wcB&gclidsrc=aw.ds)
