Address:

115 Mustang Creek Drive, New Chapman Edition, Waxahachie

Price:

45.00 \$

This 4 light fixture is versatile. It could go in a kitchen, dining area, den, bedroom, just about anywhere! It's hard to see in these pictures. It is better to see it in person. I don't know how to turn the pictures right side up! Look left to see it hanging. Sorry the wheelbarrow handle is in the way for the other one!
