Price: **50.00 \$**

Used only twice, Pet Gear Travel-Lite bi-fold portable pet ramp, 71" L x 16"W. with safety tether and scratchy surface for easy paw-grip. Used only twice, I'm a senior who couldn't keep lifting the 15lbs the ramp weighs.

Paid \$75.00 plus shipping, am asking \$50 plus no shipping, firm.

My dog took to it right away; great for pets with knee or back problems.
