Address:

1015 Grafton Avenue, Grafton

Price:

5.00 \$

There are two holders available (\$5 each). The back frames are mahogany and the posts are a little over 5" long with 3/8" diameters. Approximately 15 " high by 16 " wide.

They were designed to hold and organize serger thread spools, but work well for holding and organizing other types of spooled craft materials and tapes.
