Anhui Moker New Material Technology Co.,Ltd is an enterprise whose all staffs are engrossed with professional production of chemical product, the selling of pharmaceutical intermediate and the other chemical products. Also we have the self-support import and export entitlements. Our main products include the pharmaceutical intermediate, food additives, pigment, medical grade, industrial grade, food grade and household chemicals and so on. Our products have been exported to more than 30 countries in the world. At the same time, we have a professional scientific research and development team, and we strive for sticking to the principle of "we want to devote ourselves to devote ourselves in professional production."
