Price:

300.00 \$

Antique Oak kitchen cupboard from the workshop of Cookie and Ott Fischer. Ott took the original apart and added a mirror and spirals to the middle section. It is 71" high and 48" wide. The three shelves in the top half have beautiful old lace on them to set them off. Two full drawers then set below the shelf the mirror. The two doors on the bottom with the full 2 shelves are behind the doors.

It is in excellent condition.
