you are looking at a 2020 Fairfield 24x52 all aluminum swimming pool that was purchased from jacks pools and spas for about \$6000.00 . the deck is Amish built with ciracoated screws . This pool comes complete with a hayward filter and a hayward pump and a frog pool sanitization system and heavy duty hoses . This pool was professionally disassembled and the all parts were inspected and pressured washed and packaged for reassembly . the pool liner was pressure washed and hung in the sun and dried and inspected from the inside and 4 pin holes were found that can be patched with a vinyl patch kit that will be included . I will deliver this pool within a 30 mile radius of Geneva Ohio included in the price of the pool
