Address: **8785 NW Grandview St, Seal Rock**
Price: **400.00 \$**

DPC-12000-240V-4P-25ft. This lighting controller is brand new, still in box. I ordered it with a 25' cord, then found my 240V connection was a 3 wire, and this needs a 4 wire (single phase) connection. New cost was \$770. PowerBox wouldn't take it back because I had special ordered the 25' power cord vs the stock 4' cord. This controller has 10 240V outlets, 5 120V outlets. Can be seen on PowerBox site.

Rick: 425 531-0003
