Take advantage of a great buy (retails for \$25.00)--brand new boxed and sealed--purchased at Ross (\$16.99) and I am unable to return since receipt is lost. No longer have a place for this in new home. Vivitar Simply Beautiful LED Backlit Tri-Fold Mirror with 1X, 3X, 5X & amp; 10X magnification. 180 degrees tilt rotation. Storage tray for small accessories and cosmetics. Runs on 4AA Batteries (not included) also powers with USB cord (included). The doors fold for protection. Would be great for college student or apartment. Information provided taken from the box. Happy to answer any questions.
