Price:

**100.00 \$**

Brand new "DRIVE" knee walker....never used. Purchased at "Just what the doctor ordered" in Lyndora for my sister who had to have her leg amputated. I thought she could use it somehow. I even bought a large Schwinn seat and a seat rod at Rapp's which goes with it. purchase price was \$165.00. I am dropping \$65.00 Silver metallic in color. Tags are still on it.
