Beautiful yellow and black lifted 2016 EZ GO Gulf Cart. We just had six new batteries placed a few months ago, have receipt. Golf cart also has chip placed for speed. Excellent condition, garage kept, smoke-free owners, no tears on seats and no damage. Runs great! We recently relocated from a golf community and now living in a small neighborhood, we will not use anymore. If interested please email us at baf4426@gmail.com or brandifaulk81@gmail.com
