REDUCED FOR BLACK FRIDAY DEAL! The picture does not do this bench justice! It is a oak log bench. Very rustic look to complement any patio or deck. It has been coated with Marine coating used for boats so it is very durable and protected. The size is 57" wide(from arm to arm) 55" at the tallest point, 25" wide. Do a price comparison and these kind of benches that are not even full benches and you will see \$2,000-4,000. Contact me if you have any questions. If this is listed then it is available. ALL OFFERS WILL BE CONSIDERED. I will respond to all.

\*I do accept all major credit cards through my Square account.
