FREE HELIUM CRYPTOCURRENCY MINER BOX SHIPPED TO YOUR DOOR.
We now have a limited number of boxes available for residents in the state of Michigan.
100% free, no cost or membership fees, ever.

Simple set up. Just plug the box in, connect to WIFI and start mining the Helium cryptocurrency. Simple instructions included.

Currently Helium is priced at \$20.62 a coin and can be converted to cash instantly. Your box will mine 2 - 50+ coins a month depending on your location. Watch the 2- minute intro video here: <https://kamalarobinson.ihub.global/ihubregister>

then click the join button to see if your location is still available.

If your location qualifies your miner will be mailed to you, and I will be in touch. Only 1 miner can be deployed with 1/2-mile radius, so your address will only be rejected if your neighbor already has their miner reserved. First come first serve, so don't procrastinate if you want a free heli...
