I have a brand new never used Crosstour CT9100 4K 20MP Ultra 4K 20MP Action Camera -

Professional 4K/30fps videos and 20MP photos high resolution, which is provided by 7 layers optical glass action camera Lens, enables to capture the real world more vividly. Enhanced Anti-Shake Stabilization - With upgraded Electronic Image Stabilization technology, the videos will be more smoother when you take videos with Crosstour action camera. At the same time, the anti-shake works in 4K resolution. Wide Angle Lens With Distortion Correction - 170° wide-angle lens allows you to shoot wider scenes and LDC (Lens Distortion Correction) will help to remove fish-eye effect which is caused by the wide angle. 40m Underwater Camera With Diving Mode - The durable waterproof case and underwater Diving Mode would enable you to record vivid and more colorful footage within 40M/131ft under the water. This diving camera will be the best choice for you when diving, fishing, snorkeling, and other water sports. Wi-Fi & Wireless Remote Control - After connecting the Wi-Fi from the action camera, you could control the action camera on the app "DV KING 4K". You can share your videos to social media like Youtube, Facebook instantly. Wireless wrist remote control could help to control the action camera without

holding. Great for fishing, riding, etc.
