Selling this 5 piece rustic entertainment center. The center closes and there are also shelves not even shown that go on each side. A really beautiful set in Williston,Fl. Need to pick up. Not too heavy just not matching our new furniture. I will be clearing it all off and putting all the pieces together and taking more photos. Just wanted to see if anyone had interest in it. Asking \$575. Call Joe for more info. At 352-538-0552.
