We are getting ready to put our Manufactured home up for sale in the near future (within the next few months) and wanted to put it out there as a heads up. Our family of 6 has outgrown this single owner, 2012 Year, 3 bedroom 2 bath 1,165 Square Ft. Bayview -Fairmont Home. It is 80 in length and 16 in width. New hardwood floors, deluxe island kitchen, deep large corner tub in master bathroom, bay window, includes gas range, microwave/power vent range , dishwasher, refrigerator, and Oak Flat Panel Cabinetry. Ceiling fans in Living room and master bedroom, and lots of counter space and kitchen cupboards as well as a Laundry room! We will be asking \$39,000 firm. This home is sitting on a lot so new owners have the option to take over lot rent or move the home. When our family moves into a new house, we will begin showing the home.3
