This S7 is white cloud color.  
It is completely factory reset , and cleared of all data.  
It works perfectly and doesn't have any damage at all. No scratches, pukas and it looks new  
I always kept it in very protective Cases, and put it in a pouch.  
So it was well taken care of.  
The 3 covers each have two layers to protect the phone, and they fit well with precise port openings.  
Cash only please  
Please, no phone calls before 9:00 AM  
Mahalo for looking  
Or after 10:00 PM
