You are in for a treat! Quail eggs are as delicious as they are nutritious. These eggs were laid by lovingly tended quail. They can be used in place of regular eggs in any recipe (5 to 1), but add a unique depth of flavor that can't be matched.. Consider making tiny delectable deviled eggs that will be a hit at your next event. Quail eggs have the highest protein content and the lowest cholesterol of any poultry. These super-food powerhouses have immunity stimulating properties that help keep you well. They are also loaded with vitamins and minerals that help feed your health and your tastebuds! Selling un/fertilized for 5\$ dz, refrigerated after harvest.
