This portable basketball system from Lifetime Products features a 48 in. V-Frame Steel backboard with a Strong Arm™ height adjustment mechanism that adjusts from 8 to 10 feet high. It also includes a Slam-It® Rim with a 3 in. diameter round steel pole. With a 31-gallon portable base, this system can easily be moved to a desired location. So bring the arena to your home with a residential basketball system from Lifetime Products. The Strong Arm™ brings the game to your level, from 8 to 10 feet. Easily adjust it with just one hand, using a locking steel bar. The 3 piece 3 in. round steel pole is protected with a powder-coated, weather-resistant finish. The system is supported by a heavy duty portable base. Just fill with sand or water and play today. No cement required! Virtually unbreakable polycarbonate surface with excellent rebound Slam-It® Rim 18 inch rim and double horizontal springs provide great flexibility.
