435 John Deere Used 5 years always dependable. Had dealer review and add new parts where needed prior to placing for sale. This baler uses a twine tie system. Setting for size of bale can be changed, but usually put out 1,000 to 1,200 pound bales.

Reason for sale: updated to a net wrap baler.

Call for price and to look at 785-313-4979. Please leave a message if calling or texting and I will get back to you.
