100% electric moped. Black and white Cabo-Cruiser full size moped. Turn signals, high and low beam headlights and horn. Top speed around 20mph. Perfect for campgrounds or just cruising around small towns. No license required at all. I bought it brand new three years ago for \$1400. Selling for \$400. Needs a new charger which is around \$40. 724-372-0047 name is Sean. Text if necessary. Will get back to you asap
