Address: **South Sheridan, Sheridan**  
Price: **95000.00 \$**

We have 285 panels that measure 7' high by 8' wide, for an approximate length of 2280' . Additionally there is a 4' wide man gate and decorative double rings that could dress up the fence along 700' of length. There are brackets and hardware for the fence installation and the fence is powder coated a bronze color. The fencing is strapped and wrapped on pallets from the factory and all together weighs around 42,000 lbs. current value exceeds \$175,000.00 . Ameristar makes very high end " rackable" fencing that will follow the contour of the land that it is installed on. Deer can't jump over it and elk won't push through it. Asking \$95,000.00, buyer is responsible for loading and trucking.
