Superb condition Surly Long Haul Disc Trucker bike purchased (3) years ago used less than (2) dry seasons (mostly on Olympic Discovery Trail) due to riding another bike as well. Impeccably maintained. Upgraded Salsa "Cowchipper" bar and Shimano SPD pedals. Two sets of brand new unused Schwalbe tires (approx. \$200 value) included in the price. I am not riding this bike and it needs someone to appreciate it. Wonderful road riding bike for anyone with lower back issues as the steel frame dampens best of all materials used. Killer touring bicycle ready to be loaded with panniers. \$875.00.Cash only. Can meet in Port Angeles or Sequim.
