I have a LG Washer & Dryer set for sale. They are both in good shape, fully operational and work great. I purchased them in 2014. The dryer has minor wear and scratches on it however, the washer is missing the start button but still starts and runs perfectly. \$350.00. Purchaser is responsible for pick-up and delivery of these items and will need to bring a couple people with them to move and lift them as I cannot help.
