Very Clean / works great. This stove is electric with a smooth top. The elements heat quickly and it's has convection oven. It's clean and works great. We decided to go with a gas stove instead. We paid over \$1000 for this stove. The smooth top is in excellent condition. Please contact me via text at 985-707-4595. If you live in Slidell, I can bring it to you. Cash preferred.
