I bought this game 2 weeks ago, along with a few other games, and have since decided to sell my PS4. I can not find my receipt for this, and do not want store credit, so I am selling it on here. It has never been opened and is still factory sealed and BRAND NEW! This game retails for, and I paid \$59.99. So I am asking \$50 or best offer. I live in Portland and am looking for a Quick Easy Sale! Shipping is also available if needed (I believe the cost is \$2.50 for USPS Standard) and I also accept Paypal. Thanks, Mike
