Address:

Indianola, Poulsbo

Price:

50.00 \$

Price reduced.

Used once only. Purchased at Costco for about \$159, but turned out to be too large for our futon. It is 78 x 61 (queen size range) and measures a little more than 2.75 inches thick. Slightly discolored in areas, only from being stored in our garage for a while, so we are rating as "good" rather than "like new".
