Hello everyone! We have 5 males (Blue Blanket) and 3 Females (Pink Blanket), for sale. They right now are 6 weeks old and will be good to go in 2 weeks. They are full blooded but are not registered, so we are only asking \$650 for them. Blue Heelers are a natural Australian cattle dog that is in the top 5 most intelligent dogs. They are easy to train, are extremely intelligent, loyal, and are very hearty dogs. As you can see from the pictures they have beautiful colors. The males average about 55 lbs. and the females around 40, so they are a medium size dog. If you have any questions or would like to see additional pictures, please let us know. You will see a picture of Dad and Mom shown. My male Blue Heller Ty is about 6 years old and about 65 lbs. On the stout side for a male Heeler. Him and Mom are both well behaved, friendly and very active and playful. Thank you!
