Address: **1051 Lea Dr, San Rafael, San Rafael**  
Price: **Check with seller**

I'm having a massive succulent/garage sale this Saturday and Sunday, 8am-1pm. 1051 Lea Drive in San Rafael. Venmo/Zelle/Cash only.

Please come check out my mom's succulent store. She is fighting brain cancer right now, and we are packing up her house and selling her succulent inventory (as well as most of her stuff in her house). Prior to receiving the news about her tumor, she was planning on starting her own business selling succulents and had created all this inventory but never got around to selling it herself. There are literally hundreds of pots in all shapes and sizes, large, medium, and small, ceramic, terra cotta and plastic.

There will also be a LOT of free and very cheap stuff in addition to succulents, including cute knick-nacks, garden supplies, household items, kitchen appliances and stuff, linens, clothing, lamps, art... a little bit of everything, really. If you're looking for furniture, we have that too. Couches, chairs, dining room tables and chairs, beds... etc etc

Please come by and show your support for my mom.
