My family and I (family of 5) are looking for a rental home with a garage preferably 3bdr/2bth but a 2bdr/1bth will do also. We are great tenants and have a steady income. No pets no smoking but if you allow pets even better as we would like to have a pet for our children eventually. Great rental references and clean backgrounds. Please if you have a home or know of anyone renting in the yamhill county area that would be amazing. We are in desperate need for a home since moving to the area for my work.

Thank you,

Michelle
