Price: **350.00 \$**

This was a B-stock acoustic guitar, it has a small finish crack on the back from the factory but also does have a few blems from playing and handling over the last year. It plays great and looks really awesome, needs new strings and a 9v battery if you want to use the tuner and Fishman pickup. I am in need of some different equipment at the moment and I don't really play acoustic, so this is up for grabs.

Price is negotiable
