Price:

300.00 \$

I have a memory foam mattress for sale. It is in excellent condition, used, but clean. Queen size. I am asking \$300.00, or best offer. I can take \$100.00, or \$200.00 for it, or I can go lower in price, and take \$50.00, or \$60.00 for it. It must go, it takes up to much space in my apartment, and I recently bought a new bed. I can't sleep on this memory foam mattress, it is to hard on my back. This item is sold already! I sold the item on Tuesday afternoon, February 4th, 2025 by 3:00 PM.
