I have a large dining room table and 6 chairs for sale or trade. I am looking for an older china cabinet or houser cabinet. Must be no more than 40-42 inches wide. Table is 6ft. long with leaf. Leaf is 1ft.. See pictures. Table is in good condition. Chairs have been recovered but have original stiched cushions underneath. Will need to be recovered. Table is at least 60+ years old and has literally traveled the world. See comment for more pictures.
